Help build the new Mooers Free Library "Brick by Brick".

Efforts to complete the new library are in full swing. Walls and heat are in place and we are moving toward completion. Your help is needed to take us through the home stretch. Be a part of the effort to finish the new library by purchasing a commemorative brick that will be displayed in our entrance area. Choose from three sizes of brick or choose to make an alternate sum or ongoing (online) donation to the library to help support our new building project. Simply fill out the form below and mail it to the address above, or you can bring it to Mooers Free Library during regular business hours. You can also visit www.mooerslibrary.org/brick-project and enter your information online. Thank you so much for your continued support!
